Dr. Vithalrao Vikhe Patil College Of Engineering

Bachelor of Engineering in Information Technology

Ahilyanagar, Maharashtra

Aug 2022 – Present

Residential Junior College

HSC (Science, Maharashtra State Board)

Ahilyanagar, Maharashtra

June 2020 – March 2022

Residential High School

SSC (Maharashtra State Board)

Ahilyanagar, Maharashtra

June 2014 – March 2020

EXPERIENCE

MERN Intern

Techno Growth Software Solutions

Dec 2024 – Jan 2025

Warje, Pune

- Completed an internship focused on full-stack web development using the MERN stack (MongoDB, Express.js, React, Node.js)
- Developed a student management system with features for enrollment, attendance, and performance tracking
- Integrated secure authentication and responsive UI for seamless student and admin interaction

PROJECTS

WeatherU | React, CSS, JavaScript

[Live Demo](#) | [GitHub](#)

Jan 2025 – Feb 2025

- Weatheru is a simple weather forecasting site built with React, offering quick and accurate weather updates.
- Implemented dark mode toggle using React Context API and local storage to persist user preferences
- Built a fully responsive layout with CSS Flexbox and Grid to ensure smooth UX across all screen sizes
- Developed custom animations from scratch using vanilla CSS and keyframes for interactive transitions
- Integrated dynamic favicon updates based on theme mode and user interaction for enhanced UX branding

Taskminder | HTML, CSS, Javascript, Git

Feb 2024 – March 2024

- Developed a minimal to-do list website
- Implemented Offline Storage Keyboard Support
- Implemented responsive design

Python Bot | Python, Nextcord, Git

March 2023 – April 2023

- Developed a general purpose discord bot with python, nextcord
- Implemented commands to fetch random images from API
- Implemented various utility and moderation commands
- Implemented both prefix and slash commands
